## COLLEGE ADOPTS NEW TUITION/FEE SCHEDULE

\*\*\*\*\*

As you are aware, the Alabama State Board of Education had adopted a new tuition schedule for the Alabama College System. As was discussed in the recent general faculty meeting, this new tuition schedule allows each two-year institution some flexibility in the amount of tuition and fees that it will charge.

At that faculty meeting, the majority seemed clearly to favor the least tuition/fee increase possible, and the suggestion was made that any higher tuition/fee increases be phased in over a number of years.

Dean Kynard and Dean Howington gave President Umphrey a report of this meeting. Also, the matter of the appropriate tuition/fee increase has been the subject of considerable discussion at a number of the meetings of the president's administrative staff.

President Umphrey has decided to adopt the following schedule of tuition and fees for the remainder of this year and for the next two academic years:

### 1990-1991

Beginning with the Spring Quarter, tuition will be eighteen dollars (\$18.00) per credit hour. There will be an instructional fee of one dollar (\$1.00) per credit hour, and there will be a facility renewal fee of one dollar (\$1.00) per credit hour. Tuition and the instructional fee will be charged on all credit hours for which a student registers. The facility renewal fee will be charged **only** on the first fifteen (15) credit hours

for which a student registers.

### 1991-1992

Beginning with the Fall Quarter, the tuition will increase to nineteen dollars (\$19.00) per credit hour, and the instructional fee will increase to two dollars (\$2.00) per credit hour. The facility renewal fee will remain at one dollar (\$1.00) per credit hour for the first fifteen (15) hours.

### 1992-1993

Beginning with the Fall Quarter, the tuition will increase to twenty dollars (\$20.00) per credit hour. The instructional fee will remain at two dollars (\$2.00) per credit hour, and the facility renewal fee will remain at one dollar (\$1.00) per credit hour for the first fifteen (15) hours.
